S

wind - y old wea-ther, storm - y old wea-ther. When the wind blows we all pull to-ge-ther.

A

wind y old wea ther, storm y old wea ther. When the wind blows we all pull to ge ther.

B

wind y old wea ther, storm y old wea ther. When the wind blows we all pull to ge ther.

2. We sighted a herring, the king of the sea,
Says "Now, old skipper, you cannot catch me.

3. We sighted a mackerel with stripes on his back,
"Time, now, old skipper, to shift your main tack."

4. We sighted a conger as long as a mile.
"Wind's blowing easterly," he said with a smile.

5. We sighted a plaice that had spots on his side,
Says "Now, old skipper, these seas you won't ride."

6. I think what the fishes are saying is right.
We'll haul in our nets and we'll make for the Light.
